AGENDA

1. Introduction

2. Sensitization of Boat Operators
3. Formation of Sacco's
4. Loading and offloading point
5. Vetting of porters
6. Installation of navigation lights at Shella lango

Agenda 1 introduction

The meeting was opened with a word of prayer by the Chairman, and everyone made an introduction

Agenda 2 sensitization of boat operators

- The importance of sensitizing boat operators was discussed, with a focus on ensuring safety and proper conduct on the water.
- Boat chairmen were tasked with organizing and leading sensitization campaigns for boat operators to ensure compliance with safety standards and regulations.
- The Municipality agreed to assist in facilitating these efforts, including providing necessary help.

Agenda 3 formation of Sacco's

- It was proposed that assistance will be provided to boat operators in forming Sacco's.
- The aim is to help the operators pool resources, improve business operations, and access better financing options.
- The Municipality will coordinate with financial institutions to provide support in forming these Sacco's.

Agenda 4 loading and offloading point

- A discussion was held regarding the designation of appropriate loading and offloading points.
- The Mangrove Jetty will be used for passengers.

- The KPA Jetty will be designated for the offloading of foodstuffs.
- The municipality will ensure that these locations are clearly marked and accessible to operators and customers.

Agenda 5 Vetting of porters

- The issue of vetting porters to ensure proper conduct and competence was raised.
- The Municipality Inspectorates will be responsible for the vetting process.
- A framework for registration and vetting will be developed, with clear criteria for porters to meet.

Agenda 6 Installation of Alarm Lights at Shella lango

- It was agreed that KPA will install navigation lights at Shella Lango to enhance navigation for seafarers during night-time.
- The lights will improve safety and visibility, making it easier for boats to navigate in the area during dark hours.
- The installation timeline and coordination efforts will be followed up by the Municipality and KPA.

4. Closing Remarks

The Chairperson thanked all participants for their contributions and emphasized the importance of collaboration between the Municipality and Seafront Stakeholders to improve the working environment and safety of boat operators and porters.

The meeting was adjourned at 12PM.
